

# HOMEX LPO

“An initiative of Homex Group:  
Trusted UK Property Consultancy”

## About Us

Homex LPO is a specialist Legal Process Outsourcing provider focused on property law and conveyancing support. As part of the Homex Group, we combine UK legal expertise with a global delivery model to help law firms, solicitors, and conveyancers operate efficiently, accurately, and cost-effectively.

We believe property ownership is the fulfilment of a dream, and our mission is to manage every legal step with precision, confidence, and care. Our outsourcing services extend the proven conveyancing expertise of Homex Legal, offering reliable, scalable, and GDPR-compliant support tailored to modern legal practices, with a trusted UK and international presence for seamless delivery.

# Our Philosophy & Approach

## Precision- Care- Partnership-

- ✓ We work as a seamless extension of your firm. By combining experienced legal professionals with technology-enabled workflows.
- ✓ We integrate effortlessly with your systems to deliver consistent service excellence.
- ✓ Whether you seek operational efficiency or dependable case support, Homex LPO aligns with your goals without compromising quality or compliance.

# What We Do?

## Specialist Conveyancing Support

We deliver end-to-end conveyancing support services to law firms, conveyancers, and legal departments across the UK. Our dual-location teams enable fast, secure, and accurate legal processing, allowing your firm to scale and focus on high-value client work.

## Core Services
